Issue # 38

Greetings Everyone,

Welcome to **Headquarters-Info-Line** a fortnightly bulletin of news from NZART Headquarters E-mailed directly to Branches.

It has never been easier to subscribe to the Info-Line distribution list and have Info-Line sent to you direct by E-mail. Just check into the NZART web page <http://www.nzart.org.nz> look for **Info-Line Subscribe**. Supply your name, callsign and e-mail address and that's all you need to do. You will receive an e-mail confirmation of your auto-subscription and you can un-subscribe at any time.

NZART Business Manager Debby ZL2TDM Says:

Council & Elections

I was recently invited to the Tararua District Radio Club in Woodville and was very impressed at the energy and enthusiasm members of this Branch had for the hobby of amateur radio. A number of really good ideas came forward from the meeting, however once again is there anyone out there who is prepared to do something with the ideas.

Some of the present Councillors have now been looking after yours and the Associations interests for over 8 years. While this experience is essential on Council, it is also very important to have new blood coming forward.

How many times have you NOT agreed with a Council decision or wondered why subscriptions have to increase, or why there is no marketing material advertising the Association available from HQ for market days? Ever wondered how Council makes the decisions it does and based on what information?

If you can honestly answer yes to these questions, then maybe you should put your name forward for nomination to Council. It is vital for your Association to have an election next year. Don't just think about it, stand up and DO IT!

Remits

It's time for Branches to start thinking about those remits again for next years conference. They must be received here at headquarters by 31 December 2002 and confirmation of receipt will be sent back to your Branch Secretary.

WRC-2003

Once again I would like to thank Rodney Branch for their initiative to have members donate their rebate of \$10 to the NZART fund to get a New Zealand amateur radio representative on the New Zealand Delegation to the World Radio Conference in Geneva next year. Total donations received to date are \$4075.

Also a very special thank you to a couple of Branches and individuals who have donated much larger amounts to this cause.

That's all for this issue.

Til next time..
