## From HQ

Debby says...My apologies, I had hoped to have the branch circular out this week, however have decided to wait until we received the annual audited accounts.

These will be included in your branch circular and the May/June issue of Break In. They had not been available at close off for the March/April Break In.

**Can anyone help please? I had the following query and hope someone is able to help:**

*My daughter works for Radio New Zealand, has done for more than thirty years. I was listening to the National program in great Stereo on my Ipad via Wifi/Fast Fibre. With this technology in my thoughts I recalled with nostalgia the prominent role of Radio in N.Z..*

*I want to prepare a memoir for my Radio-mad daughter who ended up head of music at RNZ on the Terrace. Sydney Street in Petone was a mecca for me in the second half of the 1950s, Sinewave Radio Co. In an old house on the right as you head toward the beach.*

**So, my question.** *Who was George, I never knew his surname?? Was there any biography of his life? Are there surviving family?*

*George could talk and I lapped it up. He was a great influence in my College years around 1957. I was not the only radio-mad College kid. HVMTC provided others. Not so many from HVHS like me. He took me from Crystal sets through to Superhets.*

*Appreciate any clues, I will respect sources.*

*Bruce McMillan,*

*Managing Director,*

**ORDNANCE DEVELOPMENTS LTD.**

*P.O. Box 99 Wanganui 4540*

*Mobile 021 766 292 E-mail [bruce@ordnance.co.nz](mailto:bruce@ordnance.co.nz)*

Talk soon...Debby ZL2DL

## **ELG Report**

ELG Report

Napier Amateur Radio Club branch 25 has applied to change the frequency of their 2 Meter beacon. The new frequency will be 144.263 MHz. There will be no other changes to the licence. ARE142 certifies that in accordance with RSM PIB38 there will be no interference to other stations.

The current 2 Meter beacon band plan follows.

Steve Fogerty ZL2ASF

ELG Team Leader
