

HQ NZART Infoline Issue # 429

**There is only one New Zealand
Association of Radio Transmitters.**

It serves you at local, national, and international levels.
It deserves our full support if we are to continue to have
the frequencies and operating privileges we currently
enjoy.

**The Association is what you and I
make it.**

Branch newsletters for your enjoyment

[North Shore Branch 29](#)

[Lower Hutt Branch 18](#)

**All NZ radio amateurs are invited to check into the
New Zealand Net, which meets
Monday-Friday at 2100 hours on 3535.0kHz**

NZ Net sessions usually last 15-20 minutes, and the net is "friendly, but formal". Although we exchange traffic during many net sessions, you do not have to be a traffic handler to check in. We will happily welcome your "QRU".

If you are not familiar with how CW nets operate, then it might be good to listen for a few evenings to get the hang of it. You can also find heaps of information on the web at nzcw.net including recordings of previous net sessions.

NZART 95th June Conference

This year's NZART annual conference is to be held at the East Pier conference centre in Napier June 4, 5, & 6.

WARO AGM meeting will start at 8.30-10am on the Sunday 6th June.

[For more information, click here.](#)

AREC Regional Manager role vacancy

AREC currently have a vacancy for the role of Regional Manager for the Lower North Island, Central Region.

As one of three, the Regional Manager provides leadership and direction to the District Managers, provides coordination with and between districts within the assigned geographical area.

If you would like more information or interested in this role, please contact Annalise admin@arec.nz

2021 Dayton Virtual Seminars

The day before a “normal” Dayton Hamfest, there are two groups who gather for a daylong seminar. This year, with the Hamfest being cancelled, there are virtual conferences being held.

The Contest University <<https://www.contestuniversity.com/course-outline/>> has seven presentations and starts at 1300Z on our Friday 21 May.

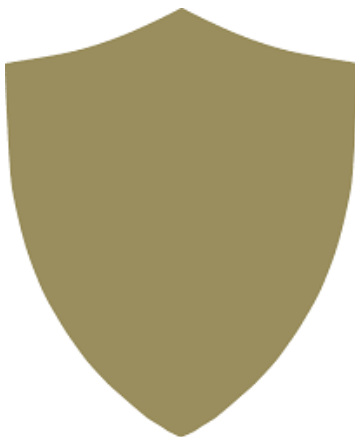

It is free to join! Check out the website above for more info!

QRP Seminars running through May

Four Days in May <http://qrparci.org/> is a QRP seminar with seven presentations on the Saturday (our Sunday 23 May). It is US\$10 to join, they email out all the presentation material.

For more information about the seminars, click the link above.

Sangster Shield Contest

The 2021 NZART Sangster Shield Contest is to be held Saturday 15th & Sunday 16th May @ 2000hrs-300hrs NZAST each evening.

Rules for this year's contest have remained unchanged since those published in the 2016 April/May Break In.

For more information around the details of this contest, please [click here](#).

IARU R3 DM Coordinator role

The role of IARU Region 3 DM Coordinator has become vacant.

The overall role is (but not limited to) to circulate and publicise information within Region 3 on emergency events in which the Amateur Radio Service has been involved.

If you are interested in filling this position, or would like more information, please contact us at HQ

The next Infoline is due out Sunday May 16th.

We would like to see more activities and events that are taking place throughout Amateur Radio.

So please send these through along with photos so that we can share for all to enjoy.

We ask that you can please have all articles in no later than Thursday the 13th of May to be posted on the Infoline.
