

# NZART HQ Infoline

## Issue # 431

**There is only one New Zealand Association of Radio Transmitters.**

It serves you at local, national, and international levels.

It deserves our full support if we are to continue to have the frequencies and operating privileges we currently enjoy.

**The Association is what you and I make it.**

---

### Calling all Amateurs in Cambridge

I was recently talking with Debby at NZART HQ, about the requirements for re-establishing the Cambridge NZART Club, currently in 'recess'.

As I live in Cambridge and intend building a powerful multiband antenna on my property. I could potentially offer my expertise from a 40-year career of radio and electronics tech as a resource for local club members to share and set up a regular HF/VHF net group for Cambridge Hams. At this stage I would be interested to see if there are any existing financial NZART members who would be keen to re-form the Cambridge branch, or simply to organise regular local get togethers. Just putting this forward for your consideration.

Mike Overington ZL1RA - contact me on [zl1ra@yahoo.com](mailto:zl1ra@yahoo.com)

---

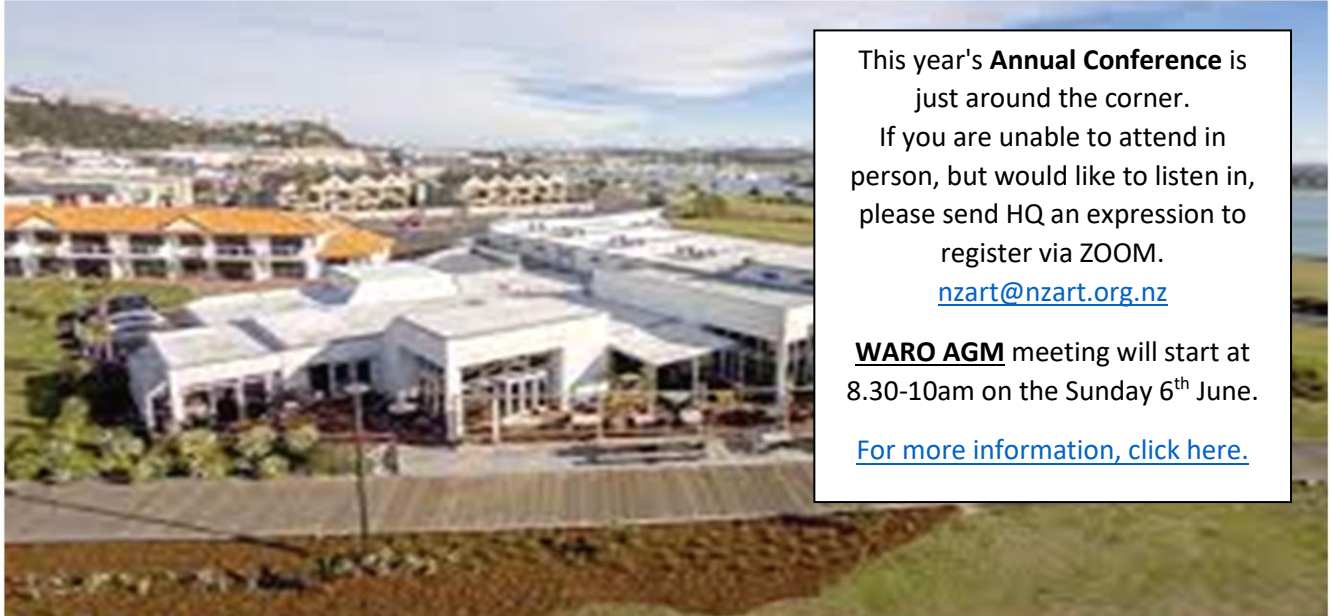

**All NZ radio amateurs are invited to check into the New Zealand Net, which meets Monday-Friday at 2100 hours on 3535.0kHz.**

NZ Net sessions usually last 15-20 minutes, and the net is "friendly, but formal". Although we exchange traffic during many net sessions, you do not have to be a traffic handler to check in. We will happily welcome your "QRU".

If you are not familiar with how CW nets operate, then it might be good to listen for a few evenings to get the hang of it. You can also find heaps of information on the web at [nzcw.net](http://nzcw.net) including recordings of previous net sessions.

---

This year's **Annual Conference** is just around the corner.

If you are unable to attend in person, but would like to listen in, please send HQ an expression to register via ZOOM.

[nzart@nzart.org.nz](mailto:nzart@nzart.org.nz)

**WARO AGM** meeting will start at 8.30-10am on the Sunday 6<sup>th</sup> June.

[For more information, click here.](#)

## Ham Cram Sessions

Enrolments are open for Manawatu's study program. If you know anyone that is interested in becoming a 'Ham', get them to have a read of the click links below.

## AREC Regional Manager role vacancy

AREC currently have a vacancy for the role of Regional Manager for the Lower North Island, Central Region.

As one of three, the Regional Manager provides leadership and direction to the District Managers, provides coordination with and between districts within the assigned geographical area.

If you would like more information or interested in this role, please contact Annalise [admin@arec.nz](mailto:admin@arec.nz)

---

## **Update to the Callsign and member application forms**

With changes to the banking industry, we are now required to record the three-digit number on the back of your credit card if paying membership subscriptions or call sign applications.

I have attached the updated forms for your convenience.

**The next Infoline is due out Sunday 20<sup>th</sup> June. We would like to see more activities and events that are taking place throughout Amateur Radio.**

**So please send these through along with photos so that we can share for all to enjoy.**

**We ask that you can please have all articles in no later than Thursday the 17<sup>th</sup> June to be posted on the Infoline.**
