

NZART HQ Infoline

Issue # 435

There is only one New Zealand Association of Radio Transmitters.

It serves you at local, national, and international levels.

It deserves our full support if we are to continue to have the frequencies and operating privileges we currently enjoy.

The Association is what you and I make it.

Debby Says....

Silent Key – NZART Life Member David Andrews ZL2SX

On behalf of NZART and members I wish to pass on our sincere condolences to David's wife Jill ZL2BHJ/ZL2SA, son John ZL2HD, and family on David's passing. David was an avid Ham for over 50 years.

Subscriptions 2022 - Rebate period

Included with your August issue of Break In, will be your annual subscription invoice for 2022. If you wish to take advantage of the rebate of \$16 and you are paying a full Transmitting/Family Transmitting or non – transmitting subscription, please deduct \$16 if paying before the end of November. N.B This does not include people paying by automatic payment.

Do we have your Email Address?

As we move closer to having an online renewal system, it is more important than ever that we have an up-to-date email address for you. Should you have family who also belong to NZART, please ask them to send their email addresses to nzart@nzart.org.nz as soon as possible.

Talk soon....Debby ZL2DL

Callbook editor ZL2DRV Daniel Vandenberg writes:

Reminder to get Club details returned to NZART HQ
Club Presidents and Secretaries, if you have not sent your updated details back to NZART HQ please do so and make sure they arrive by August 6th 2021

These updated details should include President and Secretary names and contact details as well as repeater trustees for local and national system repeaters also exam supervisors information as well as club meeting locations and times.

Not only does this help keep the NZART website up to date, we also put this information in _Callbook_ For us to keep Callbook updated to the best of our ability it also depends on you guys doing your bit.

Are you savvy with radio equipment?
Are you someone that loves helping fellow Amateurs out?

If so, we would love you to be considered as a port of call for all things technical when it comes to fixing radio equipment. If you would email us HQ

Amateur Radio in NZ is 100 years old.
NZART is collecting historical artifacts to suitably commemorate our centenary.

If you have any historical photographs, documents or memories to contribute please contact:

Craig ZL3TLB at milestones@nzart.org.nz

The next Infoline is due out Sunday the 1st of August. We would like to see more activities and events that are taking place throughout Amateur Radio.

So please send these through along with photos so that we can share for all to enjoy.

We ask that you can please have all articles in no later than Thursday the 29th of July to be posted on the Infoline.
