

NZART HQ INFOLINE ISSUE # 472
Dedicated to Amateur Radio in New Zealand since 1926

From the desk at HQ...

First, a very special thank you to all members, Council and AREC for the lovely flowers I received on the anniversary of my 25 years of service to NZART.

I won't go into detail of what I recorded for the April Official Broadcast regarding my 25 years of service, suffice to say, a huge thanks goes to you all for supporting me over this time.

Back to business....

NZART HQ Office Administration Vacancy

NZART is looking for a person to take up the role of NZART HQ Office Assistant. This new role is to provide replacement cover for the Business Manager/General Secretary from time to time, to cover for extended annual leave periods, sickness or other support as required.

The role is the same as that of the Business Manager/General Secretary but will exclude the role of NZART's Approved Radio Examiner (NZART ARX). This role will be undertaken by other members of NZART.

The role is that of a casual employee and is not a full-time role. It is expected that after a period of training that the person is expected to do a least one day's work, each calendar month, twelve months a year outside any coverage for annual leave, sickness, and the like.

The purpose of this is for the employee to remain current with the day-to-day running of NZART HQ. The day required for each month will vary and not necessary be the same day.

If you wish to apply for this position, please forward a resume to Debby nzart@nzart.org.nz

Manawatu Branch Mini Junk & Car Boot Sale:

The weekend after the NZART conference Manawatu Branch will have a Mini Junk and Car Boot Sale, and BBQ at the club rooms. The last few years were very successful, and the funds contributed to the ongoing upgrade of our facilities.

We are accepting donations of equipment for sale at the Mini Junk Sale with all proceeds going to the club in support of club upgrades. If you have donations for the sale to be sold for club funds, please ensure you put them down at the club by Sunday 4th June for sorting if possible.

If you want to sell your own equipment, we are offering a car boot sale option. It will cost you \$10 per "car boot" payable on the day to the Treasurer on the day. The sales area will be in the car park beside the club room.

We will have a BBQ running – don't eat breakfast – buy a sausage. Tea, coffee, and drinks will also be available for sale.

This is a cash only event, please bring small change if possible.

See you there.
Kind Regards,
Ryan ZL1RKW

Contests

After a successful Autumn Sprints series in April, we now look forward to the Sangster Shield on 20th and 21st May.

Several stations showed how effective 5W of CW is on 80m in the Sprints, why not have a go in NZARTs only dedicated QRP CW contest?

Full details at <www.nzart.org.nz/activities/contests/sangster-shield/>

73 and good luck in the contest!
