11/9 Strategic Plan

ZL1VH asked that each Councillor who has undertaken a core objective, to report on it at the Friday meeting of Council in Blenheim. – This is for your information only and reminder to all Councillors

11/10 6 Meter Beacon

Motion: "That NZART Council has considered the e-mail from Bob Sutton ZL1RS to FMTAG and carbon copied to Council on Tuesday, 18 February 2014 at 5:52 PM. It has seen no evidence in support of the claimed objection to this licence. It has seen written evidence from the submitter that he has consulted the 6 m band fraternity has been operating the beacon under controlled and supervised circumstances without problems, has consulted RSM who have suggested a different configuration with a 1 dB increase in EIRP. Council member Stephen Hayman requested the identity of whom FMTAG had consulted regarding this application during the April Skype meeting, FMTAG were unwilling or unable to provide this contact's details and as such Council has no evidence this consultation was ongoing at that time. Subsequently NZART Council to give approval for Tony Brown to proceed with the licence application on the requested frequency.
